Event Description:

Veterans' Week is an annual commemorative event occurring from November 5th to 11th . The month of November is an occasion for Canadians to honour the service, courage, and sacrifices of veterans and the generations of Canadians who have dedicated their lives to our country. This month's Ask Me Anything session will explore life after military service and how the skills and expertise gained during service can be applied to civil public service, what opportunities are offered to veterans, and what it means to be a family member of someone in the military. Join us this month on the Ask Me Anything stage as we honour the service, courage, and sacrifices of our veterans.
